Today is Sport Relief and the children have run their timed mile this morning. Thank you for your promises of sponsorship to help us raise money to support this national charity. Thank goodness the early rain had stopped and the sun was trying to break through for them.

Last night was our annual Musical Evening. It was a lovely occasion and I thought that the children all performed fantastically. Thank you to all who took part, and all parents and friends who were able to attend. We do extend our thanks to the music staff who teach in our school. (Mrs Fowler was not publically thanked last night as I had not realised she had arrived later than she had hoped and sneaked quietly in at the back!). These staff encourage and enable the children they teach with inspiration and dedication – they are a valued addition to the staff team.

The end of term has arrived suddenly – but I am sure that the children are looking forward to the Easter weekend! On Wednesday next week Y2 are visiting Bletchley Park. I am sure that they will enjoy this and come back inspired. The rest of the school will be having our Easter Service at St Giles Church during the morning. This is always a lovely occasion for the children to pause and reflect on the Christian tradition of our country. Wednesday afternoon is our Eco Afternoon for this half term, and the learning focus is waste. Be prepared for little eco-aware warriors in the holidays! Thursday is the last day of the Spring term and the children will be able to be collected at 1:30pm as usual. We then look forward to welcoming them back for the summer term on Tuesday 17th April.

If your child wishes to have a hot lunch, do remember that you can order now for the beginning of next term. Please also note the clubs information on page 3 if your child would like to start a new club in the summer term.

I am absolutely delighted to share with you that as a result of some very careful financial planning and a special deal, we are now able to replace the very old interactive boards in the classrooms. The replacement of our old boards has been needed for some time, and we have been saving up over the last few years. The installation of new touch screen boards will start over the Easter holidays, and this new technology should have a positive impact on the learning experiences of the children.

Thank you to all parents who completed the Governor Survey. The survey had 54 responses in total (from a potential 300), and the Governors will be looking carefully at the feedback as they start to consider the next steps for the school moving forward.

I do wish you all a lovely Easter long weekend – though I am told that the weather forecast is not particularly spring like. I do hope you have some time to spend with your children and they will return to school refreshed and raring to go for the last term in their current year groups.

April 2018

Dear Parent/Carer,

We are delighted to be in a position this year to be able to offer a full range of extra-curricular clubs.

These will be run by a mixture of external providers and members of school staff. It is most important to book places using the correct contact details.

The Future Games will run MultiSports for KS1 and KS2, Adventure Club and KS1 Football.

To book a place for any of these please contact www.tfgcamps.com

French club for KS2 only will be run by Mrs Kingswell and Mrs Clark.

To book a place please contact Amanda on a.kingswell@btinternet.com

The Future Games and French Club for KS2 require you to **re-book places**, even if your child has attended previously.

School Office organises places for Football (Girls & Boys KS2) Lego, Computer, French for KS1 and Choir. **These clubs will continue and you do not need to re-apply for a place. However, if your child would like to start attending these clubs, please complete the attached application form.**

If you wish to join a school organized club, that you haven't already attended, please apply by ticking the appropriate selection for your child on the form attached. N.B. Each child needs a separate application form.

Any Application forms should be returned to the school office by Thursday 29th March at the latest in order that registers can be prepared ready for the children to start their extra-curricular activities.

All clubs start week commencing Tuesday 17th April, and you will only be notified if your child is on the waiting list. If you do not hear from us your child will be expected at their chosen clubs.

Many thanks,

Mrs Tamlyn
