

# The Cheddington Link 24th April 2026

---

*What a beautiful week weather-wise! It's been so lovely to see a bit of sun.*

*We've had a busy and productive week in school, I have particularly enjoyed all the children who have visited my office with amazing work this week. The writing from Year 2 children this week blew me away!*

## **Earth Day**

*The eco team did a great job on Earth Day, holding an assembly for the whole school. Earth day is held each year on the 22nd April with the aim to raise awareness for our planet and the environmental challenges it faces.*

*It was great to see the children getting involved by wearing a blue or green accessory and taking part in their classroom activity, which was making their own Earth Day pledge, with the younger years colouring pictures of the earth!*

*Thank you all for taking part, and remember your voice matters, you are never too small to make a difference!*

*Mrs Lowery and the Eco council*

**Sports Day - change of date**

*We were very excited to share our proposed date for Sports Day in the Cheddington Link last week. Unfortunately, we were a little premature and due to other commitments for the school, we need to change it to **Wednesday 17th June**. We will have KS2 (Year 3-6) in the morning and KS1 (R - Yr2) in the afternoon. Exact timings will be shared soon.*

### **Travel Plan**

*As a school we are part of the Buckinghamshire School Travel Awards. This monitors our levels of walking, cycling and other forms of sustainable transport that our families use to and from school.*

*Please could we ask that you take two minutes to complete the following google form so support us.  
Thank you.*
