

Cheddington Combined School Clubs for Autumn Term 2019

3rd September 2019

Dear Parent/Carer,

We are delighted to be in a position this year to be able to offer a full range of extra-curricular clubs. These will be run by a mixture of external providers and members of school staff. It is most important to book places using the correct contact details.

The Future Games will run MultiSports for KS1 and KS2, and KS1 Football.

To book a place for any of these please contact www.tfgcamps.com. As places are booked directly they also set their own club dates, therefore if we confirm dates of in house clubs they may not match with Future Games dates.

Next Thing Education will run the Science (STEM) Club. To book a place, please contact them directly. Information was sent out in July. ***Please note they will need to have a packed lunch***, as they will not be able to participate in the normal hot meal serving times. As places are booked directly they also set their own club dates, therefore if we confirm dates of in house clubs they may not match with Next Thing Education dates.

School Office organises places for Netball, Football (Girls & Boys KS2), Running Club, Recorder Club, Lego, Gardening, French, Drama and Choir.

Please apply for school organised clubs by ticking the appropriate selection for your child on the form attached.

N.B. Each child needs a separate application form.

*If your child joins **Choir and Drama club** they will need to have a packed lunch, as they will not be able to participate in the normal hot meal serving times.*

Application forms should be returned to the school office by Tuesday 10th September at the latest in order that registers can be prepared ready for the children to start their extra-curricular activities.

Football clubs and choir will start week commencing **Monday 16th September**.

All other clubs start **week commencing 23rd September**, and you will only be notified if your child is on the waiting list. If you do not hear from us your child will be expected at their chosen clubs.

Many thanks,

Mrs Tamlyn

Working together to achieve our potential
