Learning Contributions

Thank you to all parents who have made a learning contribution (£5 per half term per child). These funds have been used for extra curricular activities and some exciting visitors to the School such as The History Man and Talons (who brought in a wonderful selection of live animals). We would like to be able to continue to offer these opportunities to the children so if you have not yet had time to action this, please could you send your contribution into the School Office. Many thanks for your support.

Book Fair

We would like to thank everyone who attended the recent Book Fair. We have raised £500 commission to spend on books for our class rooms and the School Library.

Book Stall

Thank you very much to everyone who has donated books for the Christmas Market Second Hand Book Stall. We now have plenty of books for the stall and do not need any more donations. We look forward to seeing everyone at the Christmas Market on 30th November.
