

CURRICULUM ENRICHMENT LEARNING 2021 - 2022

Our Curriculum Enrichment rotations cover a wide range of activities in which all children participate over the course of the year. This learning takes place in mixed class house groups which enables the children to develop their life skills in many areas including their confidence, resilience and engagement.

	Activity:	Key learning areas:
Reception and Year 1 <i>Enrichment to develop independence, curiosity, team-work</i>	Cookery	Hygiene; healthy diet; healthy choices and life skills. (Cutting and mixing.)
	Nursery Rhymes	Memory; oral confidence; understanding of linguistic patterns; performance skills; and cultural capital.
	Music games	Confidence with performance skills; creativity; exploration; team-work.
	Gardening and nature	Mental well-being; understanding of the natural world; observation of seasonal changes; life skills.
Year 2 and Year 3 <i>Enrichment to deepen understanding, independence, curiosity and perseverance</i>	Cookery	Seasonality; understanding where food comes from; healthy choices and life skills. (Use of sharp knives, mixing, some blending.)
	IT	Creativity; exploring programming beyond the curriculum.
	Sewing	Life skills, perseverance and creativity; fine motor skills.
	Board Games	Perseverance, resilience, and risk taking; team work.
Years 4, 5 and 6 <i>Enrichment to further deepen and embed understanding; enable personal independence; acquire key life skills</i>	Cookery	Nutrition and creating balanced meals; understanding where food comes from; healthy choices and life skills. (Use of a range of kitchen equipment including graters.)
	Olympic/Paralympic sports/Forest Schools	Risk taking, fine motor control, independence and resilience.
	First Aid	Life skills; understanding of basic anatomy and physiology.
	Makaton	Communication skills, perseverance and creativity; understanding of others.

Over the course of the year your child will participate in all the activities for their age group, working with different adults. Do ask your children about the activity they have been doing and the learning they have enjoyed.
