

14<sup>th</sup> July 2022

Dear Parents,

This is the last newsletter of this academic year. It has been another eventful year – DfE restrictions remained in place until April; many children and staff contracting Covid-19 leading to unprecedented absence rates; necessary, but cold, ventilation all winter and now a heat wave - but a year which is ending with us beginning to feel like school is emerging positively into the post pandemic future. It has been wonderful this term to welcome parents into classrooms and this is something already being planned for next year.

Thank you for your continued support of the school this year – it is much appreciated. We are looking forward to September and beyond as we continue to work together to enable your children to flourish.

I do hope that you will all be able to enjoy some relaxing time with your children over the summer holiday period – let us hope the holidays do not start with rain!

School news:

Y5 parents and the school really enjoyed the Y5 performance of 'The Vikings' last Friday, and we are all looking forward to seeing YR's special assembly tomorrow. We look forward to welcoming YR parents to this event too.

The children enjoyed Transfer Day on 5<sup>th</sup> July, when they visited their new classrooms and met their staff team for September. Y6 children have all now spent time in their secondary schools and are ready for this next step in their learning. Y1 children were so excited to travel by coach to Buckinghamshire Museum, where they enjoyed an engaging learning workshop. KS2 welcomed Olaf Falafel, a local author, last Thursday, and really enjoyed his presentation. Next Wednesday Y6 will share their leavers assembly with their parents – always a moving occasion as we say goodbye.

Please note that the children 'break up' for the summer vacation at 1:30pm on Wednesday 20<sup>th</sup> July, and term begins in September at 8:35am on Tuesday 6<sup>th</sup> September. Please also note that Morning Activity Club and Kidzone after-school provision will be from the very start of the term and you are able to book directly with them on their website.

The Governors would like to reassure you all that they have been reflecting and working on the responses from the Parent Survey and, for some responses, practice has already been adapted to ensure any concerns raised have been addressed in a timely manner. Further information regarding our response to the areas you raised will be shared in September.

The school calendar on the website is being updated with all event information in as timely a manner as possible. We are aware that this has not been the case historically, but moving forward this will be kept current.

Important request:

Before the end of the term the children will be bringing home their work from 2021 – 2022 academic year. Please can you provide your child with a carrier bag in which to transport their books home. Thank you.

### Band Camp:

Please see the attachment to this newsletter which gives information about this holiday opportunity for the children. This has been organised by Mr Danecker, our drumming teacher.
